## **CLIMATE ACTION – MIDDLESBROUGH**

Actes, a registered charity, has an impressive track record in the areas of engagement, lifelong learning, environmental initiatives, and employment support services.

Actes is part of an exciting partnership project with Middlesbrough Environment City, Tees Valley Wildlife Trust, Linx and The Other Perspective to deliver Climate Action Middlesbrough, the initiative is to engage Middlesbrough's communities in taking action to address the climate crisis. The project will work with partner organisations and the wider community to develop community leadership and support changes locally including at policy, environmental, community and individual level.

Actes are looking for committed, enthusiastic person to join the team to deliver this key support role within the programme that will engage with young people and wider community, increasing participation in the programme as well as recruiting, training and supporting volunteers.

### **The following post are available:**

**Mentor & Community Engagement Officer (YP)** (37 hours a week) – The primary focus is to work with young people working with the Actes Young Persons Engagement Officer and partners to promote, identify, recruit, train and provide support to young Eco-Champions Peer Mentor volunteers who themselves promote and take positive action to support the Climate Action programme within their schools, colleges, families. In addition, the role will also support the activity of working with wider communities (adults) on the Climate Action agenda.

**Salary - £21,000 per annum**

This post is fixed term until March 2025 and is subject to a DBS check.

This project is funded by the National Lottery through the Community Fund
